

United States of America
Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number SH8672SW

This certificate issued to

Texas Aviation Services
3901 North Main St., Hanger 2 South
Fort Worth, TX 76106-2752

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 29 of the Federal Aviation Regulations.

Original Product -- Type Certificate Number:

H4SW

Make:

Bell Helicopter Textron

Model:

412/412EP

Description of Type Design Change:

Installation of a Trimble Navigation Limited TNL 2100 GPS system in accordance with Premier Aviation, Inc. Master drawing list B00-13016, Revision D, dated 1/19/95, or later FAA approved revision.

Limitations and Conditions:

Rotorcraft Flight Manual Supplement dated August 3, 1993 or later FAA approved revision is required. Compatibility of this modification with previously installed equipment must be determined by installer. The installer must determine whether this design change is compatible with previously approved modifications. If the holder agrees to permit another person to use this certificate to alter a product, the holder must give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
